

2023 CHURCH PRAYER POINTS

Pray for Effective Ministry

- Souls won this year through Alpha, personal evangelism, and existing ministries.
- Healthy participation and growth in our Discipleship Pathway (Bible 101, Hearing God, Set Free!, etc.).
- Renewed faith in seasoned Christians: repentance, listening in prayer, bold in the Spirit.
- Ongoing strength and protection for our church, our people, and leaders.
- Expanding ministry through greater delegation and Spirit-filled participation.

Pray for a West Mission Church Plant

- We need the heart and mind of Christ in discerning His strategy and people to do the work.
- Ask for open doors and favour with those in the area and with the City of Mission.
- Softening of hearts to Christ in our neighbours.
- A tangible work to be started this year.
- Finances to fund outreach efforts and personnel.

Pray for Growth in Finances and Prayer

- We would grow in our dependence, frequency, and intimacy in prayer.
- We would grow in generosity. That we would see a new generation of Parksiders who are willing to sacrifice, prioritize, and give to the church like those that have gone before them.
